WELCOME TO THE DANCING BEAR

est 2021

*Born from a drive to escape the grind and enjoy the
finite time we have.*

*Like the old dancing bears traveling from tavern to
tavern with their masters, many of us spend most of
our hours dancing to the tune played by others. This
is the place you come to escape.*

*Cocktails created with meticulous care; and service
valued above all else we hope you enjoy your visit.*
